PINKY
DAY

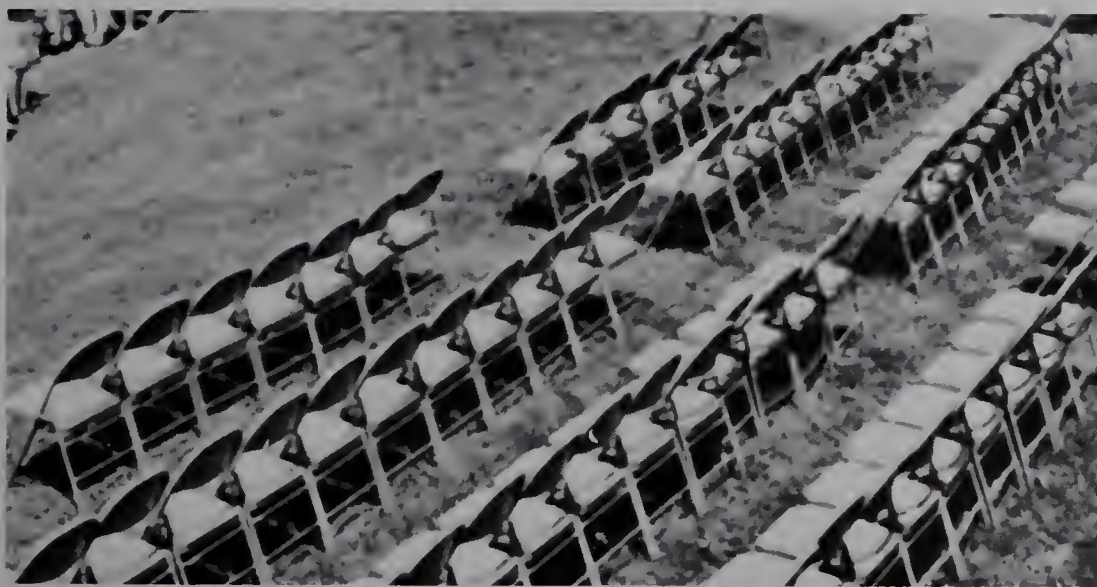

An unadorned Monday in June, and 106 seniors restlessly recall 106 memories—Memories of four years, and, pressing on these, the sensations of the last weekend at Nauset: the traditional pageantry of an academic procession, the last not-so-futile attempt at a party, interminable speeches, sentimental visits, bemused parents awed by and yet proud of their child's maturity; long sought recognition, perhaps, but most of all, anticipation.

ACTIVITIES

Fifty Years From Now, Who'll Care?

The Tides was somewhat of a community project this year. People from the Outermost Press and First Period Library Squad all pitched in and did their best to make sure the book didn't come out on time—and they almost succeeded. However, had they not helped, the Tides would have been a lot more tired book than it is, which from some people's point of view, may or may not have been a good thing.

Having set down the policy at the outset, the Editors saw that their entire 2 to 20-man staff (it varied throughout the year) adhered to it. Briefly, this was, "This year the Tides will be a book and it will concern the year—after that anything goes." The staff tried some experiments in layout and headline design, copy and photography, but other than that everything remained unchanged.

"The 1968 volume of the Tides may not win any awards," its staff admits, "but we hope that the Nauset student body will enjoy it during the few hours that they spend thumbing through it."

Members of the newly formed Chess Club went to all extremes for what they felt were common rights; however, none of the petitions did much good, because the boys were still not allowed to play during studies or lunch periods. Despite this, there still remains much enthusiasm for this great intellectual game.

Photography Club

Jack Joy, Mr. Owens, E. Mc Williams, R. Menegas, J. Finn and J. Finlay

Although not one of the more active of the high schools organizations, everyone has at one time seen the flash of Jack's camera. Between f-stops, hypos, resolution and cropping, the jargon of these people is often hard to comprehend. If it had not been for Jack and Mr. Owens, a great deal of the 1968 Tides would simply be blank space.

The year of '67 proved to be the year for the Nauset soccer team. The senior-packed team, started off by losing only one game in the first half of the season.

Led by a great defense, the Warriors beat D-Y to take the lead. A loss to Falmouth and a tie to Sandwich set up the last game. When the Warriors beat Barnstable, they were in. An early second period goal, by senior wing Dave Brown was the difference, and our boys were the champs.

On to the tournament, beating Lexington 2-1, and losing to Medford 2-0 ended the season.

Tremendous team spirit, a good defense, and an offense that got enough goals to win, were the factors of this great season of 10-3-2.

Nauset placed six players on the Cape All-Star Team: Brian Lyons, Ken Walsh, Tom Hayes, Malcolm MacPherson, Gary Lee, and Scott Nickerson.

ALL-STARs
Marcia Daley
Melonie Daley

The year of the tie game will be the mark of the 1967 field hockey season. After being champions for so long, the girls hockey team needed rebuilding, and this was the year. Marcia Daley and Sue Ellis, the team captains, provided the leadership, Betsy Erickson provided the goals, Ellen Crocker the saves, and the team, including managers, provided the spirit, and the will to play hard, and give that 100% every minute of the games and practices.

J.V. Soccer

This year soccer proved to be a good one not only for the varsity, but also their "little brothers". The J.V. team comprised an amazing record of 12-1, which was the best record on the Cape. Led by Billy Hayes with 7 goals, and Brian Harris with 6 goals, the team exploded. Goalie Rollie Bassett had 5 shutouts and B. Bartlett, R. Muhlolland and B. Studely were defensive standouts.

The Team to Beat . .

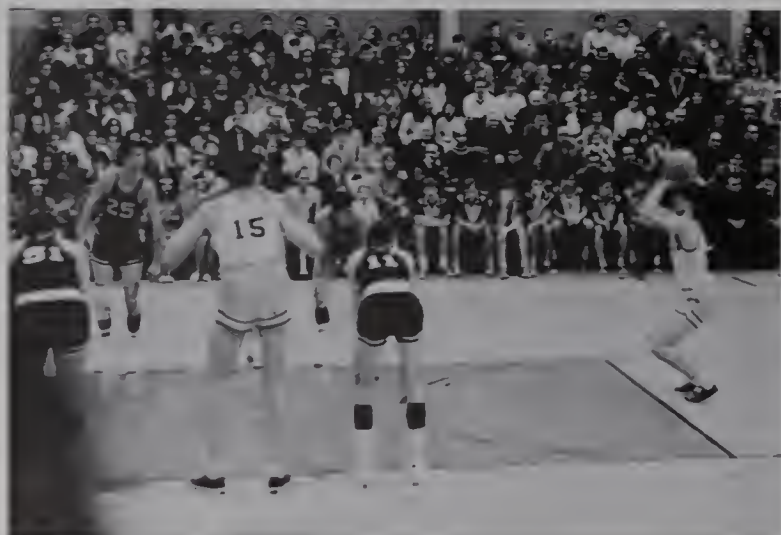

FIRST ROW: Mgr. R. Deschamps, C. Higgins, S. Nickerson, B. Lyons, M. MacPherson, P. Tucker, Mgr., S. Nickerson, Coach Miller. 2ND: J. Demetras, S. Peno, D. Hayes, D. Nickerson, G. Huebler, J. Rawl, B. Gainey, K. Walsh.

The Warriors started off the season on a sour note with a loss to D-Y. Following that loss, the Nauset hoop-men went undefeated for the rest of the scheduled season. With big Jim Rawl scoring and rebounding, and Scott Nickerson and Brian Lyons also helping with the scoring, the Cagers went to a 12-0 league record. Some of the high points of the season were Jim Rawl's 47 points against Bourne; the important victories over Provincetown and Martha's Vineyard; the defensive player award being voted to Ken Walsh; and the Seniors scoring 35 points in the last period of the final game against Harwich.

Despite the loss of the Mighty Seniors, the Warriors will be very strong next year with the return of Jim Rawl, Ken Walsh, Greg Huebler, and other underclassmen.

Had it not been for Coach Miller and teamwork, the season wouldn't have been such a success.

Captains Scotty and Brian build up the score . . .

The Girls Basketball Team tried their best to pull off a winning season, but they just couldn't seem to get anything started. The girls, especially the Seniors on the squad, wanted to bring the Championship back to Nauset in their final year. However, there is much hope for next year's squad with the power of the "new" Seniors.

The year 1967 proved to be one of the teams best. The season record was 8 wins and 4 losses, beating Chatham 3 times and Sandwich and Provincetown twice. The hard fighting Warriors, after losing their first game, came back to play Harwich on the last day of the season, in the game which would mean the championship. However, the Warriors went down to a hard fought score of 1-0.

This year's young Nauset Regional track team had a record of 1 win and 5 losses. The team was composed of one senior, 7 juniors, 8 sophomores and 1 freshman.

Even though the record does not seem very impressive, out of ten events, new school records were set in five.

With the return of many of last year's squad and plenty of experience, along with some new faces, the team should do fine this year.
